

## General

Developers: EA DICE

Publisher: Electronic Arts

Engine: Frostbite 3

Platforms:

1. Microsoft Windows (Win32)
2. Xbox One (Gen4a)
3. PlayStation 4 (Gen4b)

*Microsoft Windows and PlayStation 4 run off a very similar engine structure for Frostbite 3, since there is no way to obtain the Xbox One game files at the moment it is unknown how that is setup exactly.*
